

REGISTER YOUR TEAM FOR THE YOUNG INNOVATORS CHALLENGE!

Young Innovators Challenge is March 31st, 2017, 9:00am-4:00pm

We are excited to announce the first annual **Young Innovators Challenge** taking place **March 31st 2017 at CSUMB Salinas City Center**. Please spread the word to your students of this amazing opportunity to team up, show their talent and knowledge and be mentored along the way.

Young Innovators 2017 will be a day full of inspiring presentations, challenging competition and fun! A panel of community leaders will serve as judges. Presentations by industry leaders and advanced students from the fields of Robotics, Coder Dojo and Hackathon experts will take place as well.

The Challenge is open to **Middle & High School students**. Student Mentors will be provided for each team. **Teams of 6-8 students** will choose from the following categories, and have 15 minutes to pitch their projects to the panel.

Generous cash prizes will be distributed for first through third place!

Categories

- Robotics
- Coder Dojo
- Hackathon

**Please have your students provide the following information
via email to Margaret D'Arrigo by February 28th 2017:**

- Team Contact (name, email & phone)
- Team Name & how many members in team
- Name of school
- Choice of category (no specific project info required)

Please provide the above information via email to mdarrigo@taylorfarms.com by 02/28/17. Lunch will be provided. Must provide own transportation. More information to follow. Event runs from 9:00-4:00, set up at 8:00 AM.
